

Bibliography Part I

This part of the bibliography relies on the system designed by Michael Lapidge for this volume and for the *Fontes Anglo-Saxonici*, and published under the title *Abbreviations for Sources and Specification of Standard Editions for Sources* (Binghamton, 1988). Here, however, it includes only the works that appear as entries in this volume. Abbreviations beginning with "ANON" are listed first, and are divided according to the sections in which they appear in the entries; known authors follow.
